

COLUMBUS YOUTH HOCKEY PARTICIPANT PLAY-UP POLICY (Approved 4/25/2012)

The Columbus Youth Hockey (CYH) Board recognizes that in rare and specific cases it can be appropriate and beneficial to a player's development for him or her to play-up to the next age classification. However, a balance needs to be struck to avoid placing the desire of a player above the legitimate opportunity for that individual to be successful in an older age classification. Equally important, the short and long-term best interests of CYH must be given consideration.

There is an increased risk of injury for participants playing outside of their designated age classification. However, USA Hockey allows the movement in certain situations if specific guidelines are followed. You should carefully consider the increased risk involved and follow the guidelines below when making a request to move a participant into an older age classification.

- A participant will not be permitted to move up more than one year in age. For example, a first year Squirt cannot be moved to the Pee Wee level. A second year Squirt may advance to Pee Wee. This will apply at Mite, Squirt, Pee Wee and Bantam Levels.
- Only requests submitted to the ACE Coordinator or Director of Hockey Operations in writing by the participant's parents, legal guardians or coach will be considered. This request must be submitted at least 14 days prior to the designated tryout date.
- Criteria for allowing play-up participants will be based on, but may not be limited to, the evaluation of the participant's skill and ability to contribute to the older team and the participant's maturity level as it relates to the older team.
- Allowing participants to move from a non-checking division to a checking division represents the greatest risk and will only be granted under rare circumstances.
- The decision on whether the participant is selected for the older level team will be made by the Head Coach. However, the CYH Board of Directors specifically reserves the right to reverse any decision allowing a participant to play-up at any time. If a participant that has moved up is experiencing difficulty, as determined by the CYH Board of Directors and or the player's coach, the board may reverse the decision allowing the participant to play-up. In this case every attempt will be made to place the participant on a similar level team within the participant's proper age classification. There are no guarantees that the participant will be placed on another team. Parents and players should carefully consider this outcome prior to making a request to play-up.
- Upon request, the participant's parent(s)/guardian must sign the Risk Acknowledgement and Liability Waiver form below, acknowledging the risks associated with playing outside of a participant's proper age classification.

Print Name of Participant: _____

Birth date: _____

Desired Play-Up Age Classification/Team: _____

I/We _____, parent(s) or legal guardian(s) of _____ request that he/she be permitted to Play-Up to the next age division as defined by USA Hockey. I have read and understand the Columbus Youth Hockey Participant Play-Up Policy and agree to all the terms, conditions and eligibility requirements that apply.

I understand that requesting a play up does not guarantee the ability to make a team and understand that even if a player makes an older age classification/team, CYH reserves the right to reverse that decision for any reason at any time. I assume the risk that if the player is not chosen for the play up team or is subsequently removed from the team; he/she is potentially forfeiting the ability to play on a travel team for the current age division.

I understand that the CYH recommends that players stay in the age groupings defined by USA Hockey and stipulated in the USA Hockey Annual Guide as appropriate for their birth year. I understand and appreciate that in playing up, the risk of injury may be greater and that the risk of injury from hockey is significant, including the potential for permanent paralysis and death, and while particular rules and personal discipline may reduce this risk, the risk of serious injury does exist.

By my child's participating, I KNOWINGLY ASSUME ALL SUCH RISKS, both known and unknown. Further, I agree to indemnify and hold Columbus Youth Hockey, Inc., its officers, coaches, managers, and members, Mid-Am Hockey and USA Hockey, Inc., harmless from any and all liability, loss, expense, attorney's fees, or claims for injury or damages caused as a result of my request.

I understand and agree to accept these conditions of participation.
