Our Program:

Bath Youth Club continues to expand its participation level for all Boys & Girls Teams in the Forks Township Community Basketball League (CBL).

Our in-house program is focused on skill development. Approximately 10 sessions are held between December & February at George Wolf Elementary. No abilities needed to participate. This program will teach the basics with a goal to have light scrimmages played toward the end of the program.

Typically one session is scheduled during the school week for 1 hour and Saturday mornings for approximately 1.5 hours.

Board Participation & Coaching:

Board Member & coaches needed. Head coaches & Board Members children's registration fees are waived.

Bath Youth Club completes child abuse clearances and criminal background checks for all volunteers (all paid for by the BYC).
