Youth Organizations
President/Board Chairperson

Dear Sir/Madam:

We are delighted to share our facilities with your youth organization. Please realize that some of our campuses are under construction & may be unavailable. A list of Field Assignments for Youth Organizations is attached to reference the specific fields that have been assigned to your organization.

Keep in mind that the facilities are granted as a privilege under the following guidelines:

1. Use of the area must not conflict with any school activity.
2. League practices will not start until after 4:30pm each school day provided no school activity is in progress.
3. Assignment of fields must be according to age/skill level of the kids. (note: Please do not allow middle school age level teams to practice adjacent to 12 and under teams).
4. Cars, trucks, and other vehicles are not allowed on school grounds.
5. Equipment is not to be left on school grounds.
6. Each manager/coach is responsible for damage to related facilities and for cleaning up after each practice.
7. School building will not be open.
8. Soccer teams will not be permitted to install permanent goals unless authorized, in writing, by the school principal.
9. Smoking and alcoholic beverages are prohibited on school district property.
10. **Any Violation of the above mentioned guidelines will result in possible termination of your privileges to use school district property.**
11. **Should another team (league or select) be practicing on your assigned field, please present this paper to them to show you have priority on the field. If they still do not vacate the field, please call CCISD Dispatch (361)886-9275.**

The president of each league/organization is responsible for distributing a copy of this letter to each manager/coach in their organization.

Sincerely,

Jake Jacobs
