

Little Chute Hoops Club 2017-2018 Parent Meeting

Who We Are

We are a volunteer organization that exists to promote and support basketball in Little Chute. Opportunities exist for grades K through 4th with our Little Dribblers program and we sponsor tournament teams for grades 4th through 8th.

Who We Are

Board of Directors:

Tom Huray – President

Rena Joten – Vice President

Jenni Hietpas – Secretary

Nancy Huray – Member-at-large

Who We Are NOT

We are not affiliated with St John's or the Little Chute public schools or the school leagues that they participate in. Contact the schools about league play. Little Chute Hoops Club teams play in tournaments that typically take place after league seasons are over. It is a requirement that players participate in their school leagues (or Little Dribblers for 4th graders) in order to play on a Hoops Club team.

Tournament Teams combine LC Public Schools and St Johns.

Our Philosophy

- Let the players play
- Let the coaches coach
- Let the officials officiate

Our Philosophy

Hoops Club Expectations of Individuals

Players

- Academics are a priority.
- Come on time to all practices and games prepared to hustle and learn.
- Be respectful of your parents, coaches, teammates, opponents and officials.
- Be respectful of your facilities; we are responsible for any damage to the schools in which we practice.
- Be neat in appearance. No jewelry on the court.
- Report injuries to your coaches immediately.
- If you are unable to practice, call a coach well before practice time and do not communicate through a coach's son or daughter at school. **You must call your coach directly.**
- Communicate any problems or concerns in a respectful manner.
- Never quit – always have fun.

Parents

- Assist your children in meeting expectations.
- Be respectful of the team, coaches, officials and opponents.
- If you have concerns raise them early in a respectful manner. You may not agree with a coach but you need to listen and help your child earn a larger role on the team.
- Use the 24-hour rule – do not confront a coach during or right after a tournament. Wait to discuss any issues until players aren't around.
- Be sportsmanlike in the stands. Do not yell at officials, the team or their opponent. Cheer in a positive manner.
- ANY PARENT GETTING EJECTED FROM A GAME BY AN OFFICIAL OR TOURNAMENT DIRECTOR WILL NOT BE ALLOWED TO ATTEND THEIR CHILD'S NEXT TOURNAMENT. FAILURE TO FOLLOW THIS RULE WILL RESULT IN YOUR CHILD BEING REMOVED FROM HOOPS CLUB WITHOUT A REFUND OF ANY FEES.
- Volunteer as required and as needed.
- Get the fees in on time.
- Make sure that your child is physically fit to play.
- Support your team.
- **Be sure uniforms are turned in on time.**

Coaches

- Abide strictly by the LCHC's Guidelines.
- Learn the game - teach your players.
- Model good sportsmanship, work ethic and respect.
- Be respectful of players, parents, opponents and officials.
- Be prepared for practice and games.
- Communicate with players and parents.
- Encourage leadership, sportsmanship and good judgment.

A FINAL THOUGHT

Player playing time will not be equal, but it will be based on the philosophies listed for each grade on pages 2-3. Because of the cost involved for families (club membership, jersey / equipment, travel expenses) it is imperative that this privilege has been earned. **The level of competition that is seen with Hoops Club is at a much higher level than what is seen during league seasons and the athletes should be able to demonstrate that they are able to compete at this higher level.** Because this is a club sport and is not affiliated with the school district, all questions should be directed to the LCHC board of directors. **The Little Chute Area School District does not run this program or make decisions in the program. Please do not contact them regarding the program**
