October 2, 2017

“**COOKIE DOUGH**” is an individual fundraiser. If you choose to participate, all money raised goes towards your players’ soccer expenses.

If you were not able to pick up a Cookie Dough order form, please get one from Coach David Deats at MJ during the week.

We will be selling **COOKIE DOUGH** from October 1-16. There are 14 different cookie flavors. The cookie dough is sold in 3lb. boxes of 48 – 1 oz pre-portioned, pre-formed cookies. Cookies sell for \$17 per box. This is a **frozen** product and must be kept in a freezer and delivered promptly. **Pick up will be at MJP. Date and Time will be decided ASAP.** I chose not to set a date because they said we would get cookie dough quicker if I left it open. Cookie dough will be delivered BEFORE November 17. Please be flexible.

The process for ordering **COOKIE DOUGH**:

1. Team Representative (team Managers/fundraiser coordinator): Collect cookie dough order forms from David or Anna Deats and pass out to any parents wanting to participate.
2. Players complete order forms attached. Collect **\$17 per cookie box** (checks made out to player and player submits **ONE CHECK PER PLAYER to Texas Spurs FC**). Players earn 40% per box sold (**\$6.80 per box of cookies sold**).
3. Turn in your white tally sheet and money to your Team Representative (either a Team Fundraising Coordinator or the Team Manager) by October 16, 2017.
4. The “Cookie Dough” will be sorted by team and player. Remember, the cookie dough is frozen and needs to be kept frozen.
5. **Team Representatives:** Please verify your orders, complete the Deposit Form for “Cookie Dough” sales, and turn the order forms, deposit sheet, and money to myself or David Deats **no later than 7:00 PM** Tuesday, October 17, 2017. I will not accept any late orders. Cookie dough order will be turned into company Tuesday evening by 10:00 PM)
