

B Bantam Anthem

(to the tune of Fresh Prince of Bel Air)

Now, this is a story all about how
our lives got flipped-turned upside down
And I'd like to take a timeout
Just chill right there
we'll tell you how these boys became PolarDevils.

In St Paul, North St Paul born and raised
On the ice and in rink is where they spent most of their days
skatin, and passin, and deekin, all cool
shootin some pucks off the line of blue
When some coaches showed up and the boys got scared
They Started teaching skillz and makin them do drills
They all got jerseys and all the mom's cheered
You're movin' down the ice with speed and no fear

I whistled for the boys,
to get movin faster
iSkates gotta get sharpened,
raffles gotta be sold.

The boys are shootin stronger and their checks are getting harder,
we thought, Hey D8, 'We're movin' up the standings faster than last
year
