MISSION:

Omaha Tigers Baseball is an elite baseball organization with teams that compete at the top of their class regionally and nationally. We combine players who have talent, work ethic, and desire with tremendous coaching and outstanding training facilities in a fun, instructional atmosphere. Our players are taught to respect the game, their opponents, their coaches and each other. Our goal for our players is to prepare them for high school baseball and beyond.

Omaha Tigers Baseball was founded in 2007 with 2 teams. In 2017-2018, we have 15 baseball teams comprised of 7-14 year old athletes totaling approximately 160 players.

Omaha Tigers teams compete at the highest level, playing 45 to 75 games per season. Game venues can be from the local ball fields in the Omaha / Lincoln metro area, and teams competing at out-of-state regional and national levels. Over 3/4 Omaha Tigers players go on to play for high school teams and many go beyond that.

Select baseball includes indoor training facilities, player development fees, uniforms, equipment, field rental, tournament and umpire fees—comprising a significant cost to families. While it may be expensive, it is all worth the while when you see the love of the game in the athletes eyes and on the field, and the teamwork and discipline that we instill in our players.

Omaha Tigers are very proud of the players that represent our organization, community, city, state and sport. Please consider investing in these young athletes and the sport of baseball by sponsoring Omaha Tigers Baseball.

On behalf of our coaches, families and most of all the players, THANK YOU for your consideration and support. It is sincerely appreciated.
