Scott Harris: All Tournament contracts locked in. Edge contract signed and rates are lower than previous year. Vendors from last year are contracted (YSPN, T-Shirt and Face Paint) and scheduled.

Pre Purchasing Awards, Banners, Hats, Medals and pins.

IV. Schedulers Report

N/A – Emailed a report request to have folks finalize schedule.

V. Communications Report

Lisa is requesting that everyone submits a Contact list for Head Coaches and Treasurers with contact info so that we can streamline communication.

VI. Other Business

Several challenges with Tier II scheduling. We managed to get dates for 14U AA prior to scheduling meeting but not 16/19U AA so there are several conflicts arising. Discussions again about the need of administration needed on Tier II end and should be brought up with CAHA for next season.

Reminder that the U16 is a defacto 15U no birth years below 2002 allowed. 1-T Roster will be required by all associations to ensure compliance.

Jamboree Weekend (December) with CO Select at 10U and 8U. Players register as individuals and team created at the event... no team registrations. Jingle Bell Jamboree will be posted on the website.

Meeting adjourned at 9:00 PM
