

Andover's Academic Hockey Banquet is here!

AHYHA will be hosting the annual Andover Academic Banquet on March 30, 2019!

AHYHA will be hosting The Andover Academic Hockey Banquet. This program encourages, rewards, and supports youth hockey players who commit themselves to their schoolwork while enjoying the sport of hockey. This program recognizes skaters who achieve 3.0 GPA or higher during the academic period which coincides with the hockey season.

Andover Huskies Youth Hockey Association will be hosting an end of the season banquet for our Academic All-Stars. This banquet will recognize qualifying hockey players with an awards ceremony, including motivational speakers who will encourage students to maintain their academic success, and be followed by treats/door prizes.

WHEN/HOW TO SUBMIT REPORT CARDS:

1. Print the Academic application from www.ahyha.com and provide all the required information.
2. Participants will be notified via email of their acceptance into the program.
3. Use the grading equivalent scale on the application or website to calculate your child's GPA.

Please NOTE: There have been MANY changes to the ELEMENTARY grading criteria, be sure to read all the information when calculating their GPA. There will be NO "rounding" of the total GPA, so a 2.999 will not be considered a qualifying GPA for The Andover Academic Hockey Banquet.

4. Place a copy of your child's report card (with the comments on the report card blacked out) and their application in a sealed envelope.
5. Mark the front of the envelope with "Andover Academic" and place it in the AYHYA drop box at the ACC.
6. If you prefer to hand deliver your child's information, the eligibility committee is available to meet on an individual basis to discuss any questions you have.

Do NOT give your academic application to the team manager, it must be placed in the drop box or hand delivered to the eligibility committee.

NO EXCEPTIONS ON THE TURN-IN DEADLINE. We need ample time to prepare for the banquet.

This program is not mandatory for all student athletes. Participation is up to the family of each individual player. No incomplete grades are allowed during the designated grading period. **Do not include your PRIDE Grade at the Middle School level; the Learning Habits grades at the Elementary Level.**

Thanks and good luck to all our hockey players!! Go Huskies!!!
