WHO WE ARE:

The Cary Youth Sports Association (CYSA) is a qualified 501(c) (3) youth sports association based in the Cary-Grove Community. The Founding Members consist of the Cary Basketball Association (CBA), Cary Junior Trojan (CJT) Football Association and The Cary Baseball Federation (CBF).

We are a non-profit organization dedicated to providing high-quality sports programs to the youth of the Cary-Grove Community. Our four main focus areas are positive coaching, improving sports facilities, fundraising and providing a convenient way to access all of the youth sports information for the Cary-Grove Community via the web.

CYSA is made up of Sports Member Organizations (Members) from the Cary-Grove community. The CYSA is governed by an Executive Board of Directors (monthly Board meetings are held.) The officers and the board members are volunteers who coordinate the overall Association. The Board consists of two representatives from each of the founding members, as well as one representative from each of the remaining Members.

The Executive Board of the CYSA has a President, Vice- President, Treasurer, Secretary and other such officers as may be elected in accordance with the provisions of the CYSA By-Laws. Any CYSA Officer may also be a member representative from a participating organization, with the exception of President. The President is an individual that does not participate on any other Member Boards or Committees.
