

## Welcome to the "Official" 2019 4th Annual GBA Lauren Hill Classic!

- The Girls Basketball Association (GBA) and "The Cure Starts Now Foundation" have partnered up again to host the "Official" 4th Annual GBA Lauren Hill Classic to be held in Cincinnati, Ohio. This site is designed to help coaches, parents, and players find the information they need for the GBA Lauren Hill Classic tournament for the 2019 season. This site is your quick link to all information you will need. On it you will find tournament schedules, rules, directions, and hotel information for the GBA Lauren Hill Classic.
- We have a great staff, including current and former college women's basketball players/coaches, high school coaches, and former high school players and fans. In 2018, we hosted over 40 events, had over 135 teams playing 12 weekends in a row! We had one weekend with over 300 teams playing, five weekends with over 240 teams playing, and nine of those weekends we had over 170 teams playing in tournaments in Ohio, West Virginia, and Pennsylvania. We also will continue providing college exposure opportunities byway of our College Exposure Tournaments and Individual Showcases.
- We are the largest "girls only" tournament association in the Midwest and have been running events for 18 years! Last year was the best year ever for the GBA and partnering with "The Cure Starts Now Foundation" for this great event will make 2019 even better. See you on the Court!

**Jeff Ferguson, GBA Director**
