

Fergus Falls Skating Club Show Guidelines For Spring 2020 Show January 1, 2019 – December 31, 2019

The following are considered guidelines in selection for show parts. The show directors and the Fergus Falls Skating Club board of directors will make all final determinations. **These are only guidelines and show directors have the right to make any additional changes!!! All practices are mandatory!** No absences during ice show practices will be allowed. If you are unable to make the scheduled practices, you may have to limit the numbers you skate in. If a skater misses a practice they will be removed from that show number. Oversleeping will not be excused. If you are too sick to skate, you will need to speak with the coach in charge of that number. Please do not plan any trips or other school related activities that will interfere with the ice show practices. **Family volunteer requirements must be met to be considered for a show part!** Each skater must adhere to the ice show requirements!

Solo- Individual skating performance and qualifying for **advanced group A**

Spotlight- Individual skater featured at either the beginning or end of a number and qualifying for **advanced group B**

Dance Number: Must have passed Pre-Bronze Dance Test. At the discretion of directors, to allow an even number for partners, a skater may be asked from a lower level to participate in the Dance Number. Skater needs to be actively dancing and pursuing their next dance test.

Apprentice Number: Needs to be an Advanced skater who has apprenticed both sessions (Spring and Fall) and been in attendance 75% of the time. Must sign-in each night they apprentice.

High School Number: Must be an Advanced skater 9th through 12th. It is your responsibility to find your own partner by **January 31st 2020**. Must have your card from athletic office before stepping on the ice in fall.

All Skaters: To achieve the special part in the show that they are qualified for, skaters must continue to fulfill the required number of ice hours through the spring session.

These are only guidelines and show directors have the right to make any additional changes!
I understand and agree to the **2019 Ice show guidelines**.
