## Outfield Fence Sign Sponsors Wanted

It's that time of year to start thinking about the 2018 Little League Season! **Tri-Shore Little League** is offering **Limited Field Signage Opportunities** in support of the young boys and girls in our local communities. Our field signs offer a great way for local business to be recognized as a supporter while playing an integral role in our ability to offer quality baseball and softball programs for so many children in the area through sign sponsorship financial support.

**TSL** has over 300 children in the league and we host teams from the surrounding towns like **Belmar, Avon, Lake Como, Bradley Beach, Neptune City, Asbury Park, and Point Pleasant Beach, Manasquan, Brielle, Ocean Township, Wall Township and several others**. We host practices and games nearly every day all season long bringing thousands of people out to the ball parks over the course of the spring, summer and fall. In addition, we host the Phillies Home Run Derby, District and Sectional Tournaments which brings spectators from all over NJ to our home fields on Allaire Road and Marucci Park. We also host adult softball leagues well into the autumn months and many local USABL travel baseball teams play at our fields during the spring summer and fall as well. ***Needless to say, there are a lot of eyes that will see the TSL sponsorship signage.***

In addition to the spectators, the community, and our future stars, who come out and recognize your support for our league, we acknowledge your support on our website which is visited by thousands of viewers each year.

Please consider joining many local businesses who have supported **TSL** like; ***realtors, lawyer's contractors, restaurants, lodging, home services, banking, insurance agents, family names, landscapers, retail shops, auto repair, building products, health care, all trades, education providers, places of worship and many others.***
