FAWA announces “Tour of Florida” series

State Chairman Steve Mocco announced that the Board of Directors has approved an exciting series of Freestyle and Greco Roman events designed to encourage Florida’s wrestlers and the wrestling community to embrace the International Styles of Wrestling: Freestyle and Greco Roman.

This spring, wrestlers can compete in 4 events around the state and accumulate points based on their place in those events. At the end of the season, points earned in the Tour will be tallied and the overall winners will be given special awards that recognize their achievement.

Additionally, points earned will be used to determine stipends for Fargo and to assist coaches in filling vacant spots on National Duals and Fargo Teams.

Medals will be presented at each of the Tour events for the top 3 place winners in the respective tournaments and the overall weight class winners will be presented special awards at the Team Florida Freestyle and Greco Roman State Championships on May 4, 5 and 6 in Kissimmee.

Dates and locations of the 4 Tour of Florida Events will be announced in February.

The Florida Amateur Wrestling Association is the State affiliate of USA Wrestling, the National Governing Body and member of the United States Olympic Committee for the Sport of Wrestling.
