

# PARK CITY SPRING PASSING LEAGUE

Park City Passing League is excited to announce its first season this  
Spring of 2018.

The goal of the Park City Passing League is to provide a fun environment for youth players to learn more about football and prepare them for future play. The emphasis is on instruction and less about winning games.

Has your player always wanted to throw the ball but hasn't had an opportunity? Here's their chance. This is also a great alternative for kids who do not like the contact affiliated with tackle football.

## Rules Outline:

5 on 5 Flag Football, Field Size 28 yards by 50 yards with 10 yard end zones

All Passing plays with no rushing using 4 second passing time clock

No Blocking – All players eligible to catch passes

25 minute running halves

**There is no contact in this league.**
