Dear Cambridge-Isanti Hockey Association Board Members, Parents, and Players,

I am seeking a position on the CIHA Board.

For those who don't know me, my name is Kim Guimont, I have a son, Jack who plays at the Pee Wee level and daughter, Molly who plays 10U. Both of my children started with CIHA in the Learn to Skate program at four years of age.

I have lived in Isanti nearly all my life. When I am not working my part-time gig as Hockey-Mom-Taxi, I work at Target Corporation as a Lead Engineer in Information Technology. I enjoy mountain biking and spending time outdoors with family and friends.

As a first-year manager of the 10U team I have a newfound respect and high level of gratitude for all of the dedicated and hard-working parent volunteers that make this program a success. It is eye opening to be surrounded by so many people who come together, dedicate their time, energy, and generate fun and excitement that keeps hockey families coming back year after year.

My children's love for hockey fuels my motivation to get involved, give back, and do what I can to help make a difference.

The low number of players in the girls' program is a concern. With a hockey-loving daughter, I have a vested interest in working towards growing the CIHA program with added focus on the girls' program.

I am applying for a position on the board offering my eagerness to learn and my commitment to partner with board members, parents, and High School hockey administration to work toward achieving a girls' youth hockey program that thrives while continuing to expand the success in the coed program.

Thank you for taking the time to read a little about me and the reason why I am running for a position on the board. I hope you will consider.

Sincerely,

Kim

Cambridge-Isanti Hockey Association Board Members, Parents, and Players
