- 1) Please provide a brief summary of the qualifications and/or strengths you feel you would bring to the organization.
- 2) Please share why you are interested in being part of the Board of Directors.
- 3) AAHA Members will be able to view this form.

- 1) I have been involved in youth hockey for the past 23 year as a hockey parent, 22 years as a head or assistant coach, 7 years as Mite director and board member, and several years on the coaching committee. I have seen many things that have worked well to make hockey teams and organizations successful and have also seen many things that limit an organizations success.
- 2) I have also invested a lot of time and effort into making our program successful and have some ideas that will help improve our program.
  - 1) Control costs to keep skaters fees lower (especially Mite & Squirt) so that we can improve our participation numbers.
  - 2) Insure that team level fees reflect the actual costs for those programs.
  - 3) Develop a coaching philosophy that goes across all levels of the organization. This includes philosophy, systems, drills, and terminology.
