## **Brookline League Mission Statement**

Brookline Baseball & Softball exists to offer quality youth baseball and softball programs to the children of Haverford Township, Pennsylvania. Brookline offers baseball and softball programs for boys and girls ages 4-12. The league seeks to offer solid, competitive ball for all children regardless of their ability. Some of the rules governing participation are amended to create a greater sense of fairness and inclusiveness for all players without regard to their ability. Brookline Baseball & Softball strives to keep an appropriate perspective so that winning does not become the only goal. Improved play in a supportive environment is the overriding goal.

# Opening Day Saturday, April 1st

- Teams Arrive : 9:00 AM
- Parade
- Welcome - National Anthem
- Township Leadership
- Honorees Recognized

1999 - Rich Buxton  
2015 - Mike Gentile

## History

The organization got its start in 1967 after entering a team the previous year in the dissolved Catholic War Veterans League. The first few seasons started as "Knee-High" baseball for boys only - ages 7-9.

In 1972 the league took the name Brookline Athletic Association (BAA) consisting of in-house boys teams and adding boys traveling teams playing in the Main Line baseball League. During the 1974 season, a girl's softball program was started.

In 1975, the in-house program expanded for both boys and girls and included ages 8 through 16. The organization incorporated in 1978 as the Brookline Civic Association (BCA). A full baseball and softball program was offered to all boys and girls including a Del Val travel softball program for girls. At this time, approximately 600 children were engaged in baseball and softball.

By the early 80s, registration reached boys and girls. Brookline had included Junior and Senior American Legion travel baseball teams, but stopped sponsoring these teams in 1999. They would become the Haverford Legion and eventually the Haverford Heat. Also that year, T-ball for 5 yr. olds & Rookie Boys machine-pitch began, as well as pre-season evaluations for players 9-12.

The league set up primary residence at the Police Field, while also playing at Chatham Park Elementary School, Brookline Elementary School, including Grange Field and Haverford High School for the travel teams.

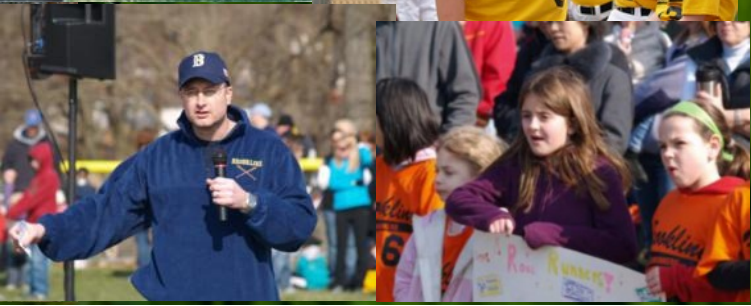

In the early 2000, still incorporated as BCA, the league began referring to itself as Brookline Baseball & Softball and this became our name. By 2005 Haverford Township Softball League was established as an integration of the Brookline, Hilltop, and Westgate Hills Softball leagues for players older than age 12.

In 2006, Brookline's 12 yr. old baseball tournament team started playing annually in the open tournament played in Cooperstown.

Westgate Baseball and Softball merged with Brookline in 2016, creating a more robust league with over 825 players. Multiple post-season tournament teams in baseball and softball are supported, extending the playing season for many more children.

With the expanding league; today Brookline's fields range from the Police Field to Chatham Park to Genthert Field to Westgate Park, as well as the old Oakmont School, Brookline School and Paddock Park.

In 50 years, thousands of you have volunteered to serve on the Board of Directors, coach a team, or help in some other way, like pitching in at the snack shack. The success of the league is a testament to your support and the generous contributions of hundreds of businesses in our community. Brookline is stronger than ever with over 900 players, we look forward to its next half-century.
