

Lakeland Arena Spring Hockey 2018

Mini Mite Program

This year we are offering a fun recreational hockey program for the mini mites. Participants will be placed on teams by their ability with approximately 10 on a team. Games will be on Tuesday evenings and Saturdays. Your 10 games will be scheduled starting the week of April 16th and ending before Memorial Day weekend.

All games will be half ice, similar to the fall program. We will be playing 4 on 4 or 3 on 3 depending on how many players the teams have on them. Each team will have to supply a goalie, players will need to take turns. (Goalie equipment is provided.) There will be two games going on at the same time. We will utilize two referees, one for each game. The one game clock will be used for both games. The purpose of this program is for the kids to have fun and play games. There are no standings or statistics kept. Score will not be kept. At the end of each game all players will be given a coupon redeemable for a small slushie at the snack bar. This will be a short fun season that the children and parents can enjoy. Price includes 10 games, scorekeeper, one referee per game and a jersey along with a slushie coupon for all 10 games.

Mite, Squirt, Pee Wee and Bantam Program

The spring youth program is for experienced players ages 7-14. The spring season is one practice and 11 games. Practices will be the week of April 9th. Players should possess basic skills because the league itself does not include instruction. Full approved hockey equipment is required. A jersey, scorekeeper and referees will be provided for all spring league play. There are no standings or statistics kept. The game schedule is set up for Tuesdays and Saturdays, if we should end up with an odd number of teams, an additional week day will be added for that division. The games will begin the week of April 16th. Players should sign-up based on the division they will play for the 2018-2019 season, see the chart below to determine your division.
