Why Start Youth Tier 2 Program

- Over the years Team Ohio maintains an outstanding reputation and “A Tradition of Excellence” within the Pre Post Hockey world
- Team Ohio has a 2 sheet facility at Winterhurst Ice Arena giving us the ability to start a youth program. If we didn't have the facility we could not do this. We finally have a place to call home!
- We are not looking to be a Tier 1 Organization. We want to become the #1 Tier 2 Youth Organization in the country.

Why Start Youth Tier 2 Program

- Hockey Fees- We believe that we can provide a great place to play with not breaking family's banks.
- All family's will see teams budget so there are no hidden agendas or fees.
- At this time in Cleveland we have several organizations. We are not trying to create more of a watering down effect in our program. We just want to offer the best opportunity for the AA players and family's
- So the idea is to reduce the number of tier teams, concentrate on the tier players into one organization, and focus on giving the players and family's the best resources to be successful.

Example of Team Ohio Youth Team Budget

Practices- 56 practice slots starting last week of August. (Summer Ice not included)

Tournaments- Each team will receive \$5,000 allotment to use on tournaments they want to enter.

Home Games- Each Team will receive 8-10 Home Games.

Home Showcase/Tournament- Each team will be hosting one event. Each team will be responsible to getting teams signed up for the event along with help from Team Ohio staff and members. Our Pre Post teams host three events and we will also add youth divisions to each event. Adding more home games. Our Midget events this past season brought in over 80 teams to participate.

Showcase Season

- Showcase season begins the end of March or early April.
- This season I would like to take our Youth teams and do a spring season. They can play in as many events local or away. In the past we would have a mix of players but with having a youth team we should get kids to play spring.
- All teams will practice weekly to prepare for showcases/events
- Open enrollment is already available at teamohio.com.

Team Ohio Spring League

- Team Ohio runs an spring league every year open to all players heading into 8th Grade to Seniors in High School.
- Great way to get introduced to the Team Ohio program and what it's all about.
- Evening and Weekend games to accommodate players involved in spring sports.
- All games at Winterhurst.
- This has been highly successful vs most spring leagues. Last season we had 12 teams in two divisions.
- Open to first 200 players

Team Ohio Pre Post

- U18- 00 and 01 Birth years
- U16- 02 and 03 Birth Years
- U15- 03 Birth Years
- U14- 04 Birth Years
- The goal every year is to have three teams compete at USA Hockey Nationals.
- Play a AAA/AA Hybrid schedule
- Several events to get exposure
- Develop not just on the ice but off the ice with life lessons.
- Alumni- Team Ohio prides itself on moving players on. That is our job. We work very closely with several junior teams and just in the past 7 years we have moved over 80 players onto higher levels. We have also had 2 D1 commitments in that time and over 30 of the players have committed D3 and so many others playing ACHA D1 or D2.
