The Allen Park Bulldogs have many great traditions. One of these traditions includes the yearbook that each participant receives at the end of each season.

We like to reward our athletes for all of their hard work with a quality memento that they can share with family and friends.

We are offering local businesses the opportunity to advertise in the yearbook and to join our athletes and their families in celebration of the Bulldog season. It is also a great way to target local customers for your business!

There are over 200 children in our program. Think about it... that is around 200 families that will see your ad! Compared to a newspaper ad, which is kept for maybe a week, a yearbook is something that people look at over an extended period of time. In addition, you will be supporting an organization full of great kids!
