

On behalf of the President's Day College Showcase and the Courage Tournament Series we would like to ask for the release of all players to participate in the 2018 edition of the President's Day College Showcase. The showcase is being held February 17-19, 2018.

We realize the importance of education and strive to accommodate the academic calendar as much as possible but realize that some schools may be open on President's Day. Our event won't conclude until the day after and will require the student-athletes to participate on President's Day. Players participating in our showcase will be exposed to local, regional, and national coaches from a variety of colleges and universities that will help expand their college options.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student-athletes from school during President's Day for participation in our President's Day College Showcase.

Please feel free to contact us with any questions at tournaments@pwsj.org.

Regards,

Rob Cheshire

Tournament Director
