

**Prince William Select
Parent/Player Commitment Form
2017 – 2018**

Parent/Guardian

I have received and read all of the attached commitment forms, policies and procedures. I have read these forms and have explained the content of this document to my soccer player. I acknowledge and agree to the policies contained therein, including financial requirements and deadlines, and will require my child to comply with the policies which apply to Courage players. I understand that I am committing to the annual fees outlined in the cost payment schedule and that my player is committing to his/her team for the Select year: August - June. This commitment relies on every player being present at every practice and game. I understand that playing on a Courage team is a priority over every other extracurricular activity.

I also realize that occasionally, policies and procedures will need to be changed and I will be informed of such changes in **Club** policies. I understand the **Club** reserves the right to change policies at any time with or without advance notice. I further understand it is required for me to sign this form in order to commit to a Prince William Courage team. On signature of this form and payment of a \$200 nonrefundable, non-transferrable Commitment Fee to the **Club** the player will be officially rostered.

Further, I understand that PWSI is an organization that relies on the assistance of volunteers and I agree to help when called upon. For example, I may be asked to help before and during Prince William Courage-hosted tournaments, lining fields, assistance with team fundraisers, etc. (Thank you in advance for your help!)
