To whom it may concern,

I am writing this letter to announce my re-election bid for candidacy to the Fremont Flyers Hockey board. With your vote I will bring over 30 years business experience to the Fremont Flyers Board of Directors. I have worked in a variety of fields, while holding many leadership roles in Nebraska.

Currently I own and operate Cooper's Chase Distillery, created in 2009. It's the first federally licensed alcohol distillery plant in Nebraska since prohibition. Cooper's Chase products can be found in over 400 retail stores in the Midwest. In relations with Kroeger, Walmart, and multiple chain stores across the region. My education includes an electrical degree commercial and residential from Northeast Community College in Norfolk, Nebraska and business degree from Southeast Community College in Lincoln, Nebraska.

I also take interest in Nebraska real-estate, as a licensed agent in the heartland, I take part in several transactions a year. I am also a nationally licensed and bonded cattle buyer.

I am most proud of my family and marriage to Karla for 21 years. We have raised three children, Riley 20, Reese 14, and Hayden 12 and live on an acreage near West Point, NE. Some hobbies we enjoy are hockey, fishing, camping and cookouts with friends.

My youngest son Hayden has been in the Flyers program since squirts, I look forward to the opportunity to serve on the Fremont Flyers board and the families involved in the program.

I am not under discipline or suspension by the Association, the Midwest Amateur hockey Assocation, or USA Hockey and never have been so in the past.
