

ACE Junior Beach Volleyball Program

The ACE Beach program is designed and dedicated to teaching your child the proper techniques, rules and sportsmanship of the game of Beach Volleyball.

Our coaching staff is dedicated and experienced as coaches and/or former players of the game. Our lead instructor has been training beach players for 16 years and has worked with some of the best beach volleyball players in the world such as Mist May-Traenor, Karch Kiraly, April Ross, Kevin Wong and many others. He has learned from the pros and brings that extensive knowledge to the ACE beach program.

With the elevation of the Beach game in College, many more opportunities have opened up for the volleyball player in you.

Beach volleyball is also an excellent way to improve your indoor game, it will drastically change your speed, quickness, vertical and explosiveness and also give you a new found appreciation for every position of the indoor game.

ACE Volleyball Junior Beach players will have the opportunity to compete in local and regional tournaments and have the opportunity to play in the USAV Junior Beach Nationals or AAU Beach Nationals

Our beach program is open to girls and boys ages 8-18 coming from ACE or any other club or school. Players may form their own teams or sign up as an individual and we will try and match partners. ACE beach does not hold tryouts. The Beach program will run twice a week for two hours each night. Monday and Wednesday 6:00-8:00pm. Tuesday and Thursday will be used to make up any rain outs during the same week only 6:00-8:00pm.

The Regular Season cost is \$600 per player if paid at registration. \$650 if paid in (2) installments \$325 due at registration and \$325 due on June 1st. Regular season begins May 14th and ends July 30th

Cost does not include the tournament fees or membership fees. Tournament fees are an additional \$25-\$50 per player per tournament. Partners and their parents will decide which tournaments the team will enter.
