2018 Blaine Summer Academy Hockey Camp

BEGINNERS | CUBS | MITE A – D | U8 | U8 Futures

This program is intended to provide an instructional experience that introduces players to the appropriate skills for their competency level. Beginners receive the area's best instruction by coaches that have trained many players. The coaches strive to provide a fun atmosphere while encouraging the players to leave their comfort zone in preparation for the next season of play. Advanced level players are not forgotten; each level is staffed by coaches that work hard to teach new techniques and build confidence through repetition.

**All sessions will take place at FOGERTY ARENA or SCHWAN SUPER RINK in BLAINE.
This program is open to players from Blaine and Spring Lake Park (girls) associations only.**
