# **LTOD Support Team**

**Provincial Development Officers  
and Learning Management System Team**

March 22 2018

To help lead and deliver LTOD across the Province over 2018 and the following years, we are pleased to introduce the LTOD Provincial Development Officers (PDO) and your Learning Management System Creation (LMS) team.

## PROVINCIAL DEVELOPMENT OFFICERS

The PDOs have attended training sessions and are regularly involved in LTOD information sharing, and truly understand and support the LTOD program.

The PDOs will be seen across the Province in 2018 scouting and identifying talent. They are also available for LTOD Information sessions, to answer any LTOD questions, and to act as a point of LTOD contact in your area, along with your District Referee Coordinator.

PDOs will also be overseeing, and assisting in the organization of LTOD Camp Days across the Province. These camp days consist of 2 hours of practical and 2 hours of classroom education to which all match officials are invited. Keep an eye on your District website or [www.refcentre.com/ontario](http://www.refcentre.com/ontario) for more details and schedules.
