

2018 Minnesota Swish Tryout Results

Thanks again to everyone that attended the main or alternate tryout sessions. With any tryout, there are always tough decisions and spots that could go a couple of different ways based on player skill-sets, size, whether they had a good day or worse day than normal, etc. We did our best to be fair to everyone and form the best teams possible. I know we split up some teammates and friends which we tried to avoid doing, but at the same time felt we had to reward those who outplayed others at tryout sessions. Will try to have same grades practice at same times/places to hopefully still allow car pool situations to occur.

Coaches are close to being assigned and practices will start the first week of April. (Tue, April 3rd would be potentially the earliest practice date)

Please check your email over the next few days as that will be the main form of team communication.

If you are not listed on a roster below, unfortunately we didn't have a spot for you this year. Checks for those athletes will be shredded - if you prefer me to VOID and mail it back, let me know by email.

Thanks,
Andrew Dahl
Minnesota Swish Director
