

## TO RESCHEDULE A HOME TRAVELING GAME

1. Notify the other coach that your team is not able to play on that night and get dates that work for them.
2. Work with the other coach to get new dates that both teams could play. E-mail Barb at [nssaprograms@gmail.com](mailto:nssaprograms@gmail.com) with the dates along with the game number you need to reschedule, your team code, the date the game was to be played.
3. We will get you a field and a time that you can play the game. We try to get you the first choice, but sometimes fields or referees are not available.
4. Once you receive the information for the reschedule back from Barb, complete the Affinity online request for rescheduling.
