

LINLEE JONES BIO

I am honored to be nominated again for the secretary position. I enjoyed being on the state board this past year. It has been a wonderful experience and I look forward to continuing it if I am reelected. I have been involved with hockey for 29 years and worked with many programs. I have helped manage the Weber State Hockey team for 11 years. I love being able to help the team with schedules, travel arrangements, game day operations and administrative duties. Before working with Weber State, I managed the Utah Stars Midget team for 2 years. I have score kept for every division of hockey. Currently working with the Utah Grizzlies with the Off-Ice Officials. I played hockey for 13 years, high school and in the women's league. I grew up watching my brothers play hockey. I helped my mom with managing the high school team and fill in for her as the Utah State High School Secretary position. I took notes, typed up the minutes, helped make decision, and sat in on board meetings and disciplinary hearings. I have witnessed many great things for Utah Hockey and would love to see more things happen to help with hockey programs. Recently finished college with a Bachelor's Degree in Nursing.
