“The skill set for hockey is so specific to skating and if you haven't been skating as a kid it's impossible to play - and I wasn't a skater.” -Liev Schreiber

-Bobby Orr

“I wasn't naturally gifted in terms of size and speed; everything I did in hockey I worked for.”
-Wayne Gretzky

Whether you're trying to learn in hockey or trying to learn in life, I've always tried to be observant and tried to learn more, tried to evolve, whether it's as a hockey player or as a person. With each year, I try to do that. -Sidney Crosby
