

Practice Field Reservation, Daylight Savings, and Other Field Information

Practice Field Reservation:

On Team Assignment Night, each coach will receive a Practice Field Reservation Form. In order to assign fields in a timely fashion, the SBSC Field Coordinator needs to receive this form as soon as possible. Coaches can return the form in the following ways:

- Complete it at Team Assignment Night and give it to the Fields Coordinator.
- Access the form on the SBSC website (www.solanabeachsoccerclub.com) under the Coaches tab. Complete the form and email, fax, or mail it to the Field Coordinator.

The Fields Coordinator will make his/her best effort to provide each coach with their first choice of field and time. Second and third choices are required in the event of high demand at a specific field and time slot. The Fields Coordinator or your Division Coordinator will notify you of the day / time slot(s) you are assigned.

Daylight Savings Time:

When the shift off Daylight Savings Time occurs the first weekend in November, coaches with 5pm practice times will need to move to earlier practice times of 3:30 or 4:00 PM. The Fields Coordinator will work with coaches to reschedule practice times and locations. Please be prepared to share your field with other teams after the shift.

Practice Field Priority:

The SBSC reserves the fields that are used for our teams to practice. Our teams have sole use of these fields during the season for the day / time blocks listed. If other organizations are using the fields during these periods, please contact the Fields Coordinator to help resolve the conflict.

Practice Field Cleanup:

The SBSC uses fields that belong to local schools and the City of Solana Beach for practices and games. In order to maintain the best relationship with the schools and the City, we ask that coaches be certain all trash (particularly forgotten water bottles) is cleaned up after practices and games.

Portable Toilet Access:

The SBSC makes portable toilets available at Solana Vista, Skyline and Solana Beach CC fields. Portable toilets at Earl Warren are provided by the school and should be accessible during practice and game hours. If you are unable to access the toilets at these fields, please contact the SBSC Fields Coordinator.

Game Schedules:

Typically, the first game of the season takes place the first Saturday after Labor Day and the last game the Saturday before Thanksgiving.

In order to provide a full schedule of play, the SBSC games with other Cal South leagues in our area (Cardiff, Encinitas, Rancho Santa Fe, etc.). The scheduling of SBSC team games is part of a larger process including these other recreational leagues as well as the scheduling of Presidio League competitive games. The SBSC makes every effort to provide game schedules to its coaches as far in advance of the season start as possible. Often, due to the complexity of the larger process, schedules are not available until the week before the first game. Schedules will be posted on the SBSC web site.

Field Preparation:

The Fields Coordinator ensures that fields are ready for play each Saturday. He/she schedules for goal posts and nets to be set up and removed at the end of the day and for fields to be lined as needed. If you encounter and problems or have any concerns about the condition of a field, please contact the Fields Coordinator.

Official FIFA dimensions are:

- Length: Minimum 100 yards to Maximum 130 yards (300' to 390')
- Width: Minimum 50 yards to Maximum 100 yards (150' to 300')

The following dimensions are used for the SBSC fields:

Field	SBSC Length	SBSC With
Earl Warren (11 vs. 11)	300 – 310'	225'
Solana Vista East (11 vs. 11)	255'	152'
Skyline (8 vs. 8)	225'	147'
Solana Vista West (6 vs. 6)	180'	120'
Solana Beach CDC (4 vs. 4)	30 yards	20 yards
