Old Business

- Proposed changes to Section 10.1 of the AAHA Policy Manual
  Motion: Urban, 2nd: Curley to bring motion to the table for discussion. Several guests were present from the AZ Lady Coyotes including players, coaches, parents and Sarah Dennee. Several opinions and viewpoints were shared by the guests as well as the AAHA Board members. Point of order: we are talking about a policy proposal, not the disbanding of the AZ Lady Coyotes organization. Two amendments were proposed and accepted by Urban/Curley. Question was called. A written ballot was proposed and accepted. Vote 11-5-0. MOTION PASSES. The final policy change with amendments reads as follows:

  There shall continue to be one recognized and designated official all-female organization for the State of Arizona until such time that female enrollment is significantly increased to a level that warrants multiple organizations as consistent with the USA Hockey recommended guidelines. Female organizations shall be subject to the same Tier Authorization requirements and deadlines as outlined in sections 13.2.3 and 13.3.2. Additionally, the organization selected as the designated all-female organization shall hold the designation for two years. Other organizations may only register house/rec all-female teams.
- Non Members with USA Hockey Registration Numbers – no update
- Discuss tabled AAHA policy manual changes to Section 12.2 as previously presented in Dec/Jan/Feb
  Motion: Urban, 2nd: Koshiol to bring this policy change to the table for discussion. Discussion included information presented by Bruce Urban stating that all of the hockey directors present at the last Tier Committee meeting recommended that no one should play up at any level. Vote 0-16-0. MOTION DENIED. Section 12.2 will remain as-is.
- EC proposed changes to Section 17 of the AAHA Policy Manual
  Motion: Koshiol, 2nd: Curley to approve changes as outlined in the policy report. Discussion ensued. Vote 7-9-0. MOTION DENIED. Section 17 will remain as-is.
- Mite Committee proposed changes to Section 11 of the AAHA Policy Manual
  Motion: Urban, 2nd: Curley to bring policy change to the table. Discussion included the request to clarify 11.1.4 to add (upper and lower) to the end of the sentence. Urban/Curley accept amendment. Discussion ensued. Vote 13-3-0. MOTION PASSES.
- Tier Committee proposed changes to Section 13 and Appendix C of the Policy Manual
  Motion: Curley, 2nd: Urban to approve changes as outlined to 13.2, 13.3, 13.4 and Appendix C. Discussion ensued. Vote 16-0-0. MOTION PASSES.

MARCH PRESIDENT'S REPORT

I touched on this at the last meeting, since the beginning of December there have not been any concussions reported to AAHA. It is interesting that the first six weeks of the season we had eight players complete the concussion protocol and then only a few up to December.

AAHA is working on a video presentation to educate the parents and coaches the protocol required when their player is suspected of a concussion. This protocol is extremely important to eliminate the player returning back to the ice too soon.

Thank you,

Tim

AAHA Administrators Report
for February 2018

The emphasis this last month on the AAHA web page was on setting up a number of information distributing New's articles, the upcoming Tier I, Tier II and AZYHL State Tournaments.

Working with Geoff Pashkowski a number of pages were added to the web site under the Youth/Player Development tab in preparation for the spring Development Camps for both Girls and Boys. In addition there was a New's article created with navigation links to those pages.

Additionally there were New's articles create on the AAHA Home page's News slideshow announcing the dates and locations of the Tier I, Tier II and AZYHL State Tournaments.

With the hope that these New's articles would be used once people became familiar with them, we included links to each game summary as the game was completed and the game sheet entered as well as links to the actual schedules and a report tracking how the teams were progressing through their various brackets.

Lastly as the Tournaments were finishing, Tier I is the only completed to date of this writing, an announcement and photos of the winners was uploaded.

There were two other major undertakings in the month of February. First the Commitment Letter/Registration process used in AAHA, it is actually AAHA's registration system. It is what is called a non-monetary registration system as no fees are collected that is done at the Association level, however Player's in the Tier I, Tier II and AZYHL levels within AAHA are required to fill out this 'registration' system.

This is under going a completely rewrite from what has been used in past years, with the intent of making it easier for the players and parents/guardians to filled out and to distributed some information that USA Hockey has recommended be done at registration time. This is just entering the testing stages and should be ready to roll out during March.

The second major undertaking is in becoming a 'beta' site for Sports Engine. Over the last six months, setting up the leagues, entering the league games, entering scoresheets and then setting up the Championships a number of issues have been

identified with the Sports Engine software. Over six months looking into and in determining how best to resolve/fix these things Sports Engine has asked us to participate as a 'beta site'. This will be an ongoing relationship and very helpful to AAHA allowing us to be instrumental in creating a system that truly is hockey friendly.

AZYHL Committee Report
for February 2018

There were actually two AZYHL Committee meetings in February, Jan 31st and Feb 27th and there were two main topics discussed and finalized in those meetings.

The first was the completion of the changes being recommended to AAHA for inclusion in AAHA's Policies/Procedures Appendix B. This brought to a conclusion a year long effort in which all of the Policies/Procedures of AZYHL were reviewed with a number of updates identified.

Most of the updates were of a clarification nature, but they required considerable review and discussion, having completed that process at the Jan 31st meeting they will now be submitted to AAHA for review and action.

The other big topic for these two meetings was the preparation for the AAHA (AZYHL) State Tournament opening on the 28th of February with the 16U and 14U's Divisions that week and weekend. The 10U and 12U Divisions are the week of Mar 4th to 11th.

At the Jan 31st meeting the schedules were reviewed and approved with a number of caveats that could not be actioned until League play is completed. It was agreed that we should ensure, regardless of their finishing order in League play, that Flagstaff and Tucson should be scheduled so that they would not have to play during the week.

Additionally at the Jan 31st meeting there was a discussion of the Commitment Letter process for the 2018-19 season and an indication that a test version of the process would be distributed to selected, knowledgeable people for review and testing by around the middle of March.

At the Feb 27th, meeting the medals for the 10U Division 1st and 2nd place winners in the AAHA (AZYHL) State Tournament were distributed to the Committee Members committed to being at the appropriate tournaments for them.

In addition the 1st place trophies were distributed for presentation at the Championship games and finally a packet including the Tournament playing rules, the Tie Breaker rules and scoresheets were distributed for each rink hosting one of the Tournaments.

Finally the final schedules were approved, there needed to be an adjustment in the 12U Blue League/Division to minimize conflicts with the 14U AZ Lady Coyotes girls and the State Player Development camp. This entailed one of the playoff games being rescheduled in Tucson… special thanks to Wildcats Minor Hockey (Tucson) , the AZ Lady Coyotes and AZ Ice Arcadia for making this all happen…… it was last minute, but we got it done and in place.

USA Hockey Sample Locker Room Policy

USA Hockey requires that all local programs publish their locker room policies to the parents of all minor participants. The policies should be specific to the facilities they regularly use. The policy below is a sample only but may be modified by the local program to meet its specific needs and facilities. The local program's policies shall include the program's (a) practices for supervising and monitoring locker rooms and changing areas; (b) permission or lack of permission for parents to be in the locker rooms; (c) prohibited conduct, including at least all forms of abuse and misconduct prohibited by USA Hockey; and (d) specific policies regarding the use of mobile electronic devices and phones and prohibiting the use of a device's recording capabilities.

[NAME OF PROGRAM]'s Locker Room Policy

In addition to the development of our hockey players and enjoyment of the sport of hockey, the safety and protection of our participants is central to [PROGRAM's] goals. [PROGRAM] adheres to USA Hockey's SafeSport Program as a means to help protect its participants from physical abuse, sexual abuse and other types of misconduct, including emotional abuse, bullying, threats, harassment and hazing. To help prevent abuse or misconduct from occurring in our locker rooms, [PROGRAM] has adopted the following locker room policy. This policy is designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms.

At [NAME OF ARENA] there are [number (#)] of locker rooms available for our program's use. Each of the locker rooms [has its own restroom [and shower area]/shares a restroom [and shower area] with one or more locker rooms]. [if program uses multiple arenas, the same information should be included for each arena] Some teams in our program may also occasionally or regularly travel to play games at other arenas, and those locker rooms, rest rooms and shower facilities will vary from location to location. [PROGRAM's] team organizers will attempt to provide information on the locker room facilities in advance of games away from our home arena. At arenas for which you are unfamiliar, parents should plan to have extra time and some flexibility in making arrangements for their child to dress, undress and shower if desired.

Locker Room Monitoring

[PROGRAM] has predictable and limited use of locker rooms and changing areas (e.g., generally 30-45 minutes before and following practices and games). This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make some players uncomfortable and may even place our staff at risk for unwarranted suspicion.

We conduct a sweep of the locker rooms and changing areas before players arrive, and if the coaches are not inside the locker rooms, either a coach or voluntary locker room monitors (each of which has been screened) will be posted directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible, so that only participants (coaches and players), approved team personnel and family members are permitted in the locker room. Team personnel will also secure the locker room appropriately during times when the team is on the ice.

Parents in Locker Rooms

Except for players at the younger age groups [specific age groups may be included here], we discourage parents from entering locker rooms unless it is truly necessary. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player.

Naturally, with our youngest age groups it is necessary for parents to assist the players getting dressed. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players. As players get older, the coach may in his or her discretion prohibit parents from a locker room.

Mixed Gender Teams

Some of our teams consist of both male and female players. It is important that the privacy rights of all of our players are given consideration and appropriate arrangements made. Where possible, [PROGRAM] will have the male and female players dress/undress in separate locker rooms and then convene in a single locker room before the game or team meeting. Once the game or practice is finished, the players may come to one locker room for a team meeting and then the male and female players proceed to their separate locker rooms to undress and shower, if available. If separate locker rooms are not available, then the players will take turns using the locker room to change. We understand that these arrangements may require that players arrive earlier or leave later to dress, but believe that this is the most reasonable way to accommodate and respect all of our players.

Cell Phones and Other Mobile Recording Devices

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, are not permitted to be used in the locker rooms. If phones or other mobile devices must be used, they should be taken outside of the locker room. [it may be permissible to have team manager collect phones]

Prohibited Conduct and Reporting

[PROGRAM] prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the USA Hockey SafeSport Handbook. Participants, employees or volunteers in [PROGRAM] may be subject to disciplinary action for violation of these locker room policies or for engaging in any misconduct or abuse or that violates the USA Hockey SafeSport Policies. Reports of any actual or suspected violations, you may email USA Hockey at SafeSport@usahockey.org or may call 1-800-888-4656.

Bylaw and Policy Committee Report

March 2018 AAHA Meeting

Prepared By: Sherri Koshiol

Date: March 5, 2018

12.2 POLICY PROPOSAL FOR DISCUSSION: Allowance of 12U players to individually petition to "play up" on a 14U team.

Section 12.2 which currently reads as follows:

12.2 Play Up Rules

All 8U age players (as defined by USA Hockey) shall only be eligible to participate on an 8U age team. No 8U age player or 8U team shall be permitted to "play up" in a higher division.

No team, 10U and above (boys or girls), shall roster a player more than one age group higher (as defined by USA Hockey) only if allowed by the Member Association. Appeals to these roster rules need to be made to the full AAHA Board prior to the August AAHA Board meeting so it can be reviewed by the Board at that meeting. This appeal must be accompanied by an evaluation by the head coach of the current team the player is trying out for as well as the head coach of the prior team the player was rostered on showing the player has the ability to play at this higher level.

Proposed language for discussion:

12.2 Play Up Rules

12.2.1 All 8U age players (as defined by USA Hockey) shall only be eligible to participate on an 8U age team. No 8U age player or 8U team shall be permitted to "play up" in a higher division.

1. All players participating on 8U teams must be of an age (as defined by USA Hockey) within the 8U age group. No player classified as a 6&Under player or younger shall be permitted to participate on an 8U team without prior approval of the AAHA Mite Committee.

2. The Hockey Director of the member association requesting to have a 6&Under player(s) "play up" on an 8U team, shall submit a written request to the Chairperson of the Mite Committee detailing the justification for the move. The Mite Committee shall review the request and provide final approval for the move prior to the player(s) being allowed to participate in team activities.

3. Entire teams of 6&Under players or younger shall not be permitted to "play up" at the 8U level.

12.2.2 Players in the 14U and 10U age divisions (boys or girls) may be permitted to "play up" on a team that is no more than one age group higher (as defined by USA Hockey) for the

duration of the current playing season if recommended and approved to do so by the Hockey Director of their proposed Member Association.

1. For player(s) recommended to "play up" from the 12U to the 14U age division on non- nationally bound teams at any time or for any duration (i.e. full season, tournaments, or individual games), the Hockey Director of the player(s) proposed and/or current member association must submit the recommendation to the Executive Committee for final approval (with the help of the AZYHL Committee if necessary). This submission must include at a minimum, written explanation of the justification for the move, a signed letter from the parent(s) of the player(s) demonstrating their agreement with the move, along with a written agreement of the Head Coach of the older age group team the player is joining.

2. The Executive Committee (with the help of the AZYHL Committee if necessary) will evaluate the recommendation(s) and make a final decision as to the eligibility of the 12U player to "play up" one age group higher.

3. 12U player(s) awaiting final approval of the Executive Committee may not participate in any 14U team activities until notice of final approval is provided in writing to the Hockey Director of the member association

12.2.3 Any appeals to the outcome of the Executive Committee's review process outlined above in 12.2.2.1 shall be presented to the full AAHA Board of Directors not less than one week (7 calendar days) prior to the next scheduled AAHA Board meeting so it can be reviewed by the Directors. The Board of Directors will then make the final decision at the same meeting.

12.2.4 Entire teams in the 12U age level may NOT "play up" at a 14U age level

12.2.5 Player(s) at the 10U and 14U age level may be permitted to play on a team not more than one age group higher for a "short term basis" that may include individual games, tournaments or scrimmages provided the move is approved by the Hockey Director of the respective member association prior to the player participating in any team activities of the older age group team.

1. "Short-term basis" for the purpose of this section shall be defined as a temporary reassignment to an older age group team that will result in eventual return to the players original team.
2. "Short-term" call ups shall not exceed 10 total games throughout the duration of the current playing season. If the player(s) exceeds 10 total games as a "short-term" call up, the player(s) will be required to be permanently reassigned to the older age team.

At the request of the Board, the policy committee is proposing the following policy revisions: pertaining to out-of-state mite players playing up on squirt teams in local AAHA-sanctioned tournaments and out-of-country travel permits.

Review and Discuss Gilbert & Chandler Jamboree

All involved with the Gilbert & Chandler Jamboree have commented on its success. The overwhelming consensus was that both Jamborees were well run and well received. The new format that was employed by CAHA Chandler received positive feedback and the committee will consider the format for future Jamborees once the Board decides on the proposed policy changes.
Thank you to all the folks at AZ Ice Gilbert and CAHA Chandler for their time and effort in organizing the Jamborees!

State Update

The Chair advised the committee that the proposed policy changes were discussed at the State Board and that there were some concerns about the number of teams allowed at the Select level.

Out of Town Requests

The committee was reminded about the use of the Out of Town Request form and that the form has been updated to have a line so that the Hockey Director can sign and acknowledge the request. The form is updated on the state website. The committee was also given a summary as to all the requests submitted and approved to date.

Arizona Coyotes Updates

Matt Shott advised the committee chair that currently they have 130 registrations for the Arizona Coyotes Jamboree, which is 50 short of the goal but that expect to hit the goal in the next week or so. All committee members were reminded to tell all parents that the jersey design entrees need to be submitted by Thursday March 8th and that the winners will be picked on March 10th.

Future Meeting Dates:

The committee was made aware that depending on what the state decides on the proposed policy changes we may need to have another meeting this season in March or April to prepare for next season. If no policy changes are adopted, then we have adjourned for the season.

The meeting was adjourned with thanks to all attendees for a great season of Mites Hockey!!

Dear Affiliate Presidents, Registrars and Associate Registrars, and members of the Youth Council and Girls/Women's Section:

Please review the following information from the Youth Council clarifying questions regarding the tryout rules in the *Annual Guide*. On pages 136-37 of the *Annual Guide*, Section III (E), **Youth Tier I Standards and Criteria** states:

USA Hockey recognizes Youth Tier I programs/teams only at the 14U, 15 Only, 16U and 18U age levels. The following criteria must be met for any team to be classified as a Tier I team in any Affiliate:

· Tryouts for Tier I teams must be published and advertised. No youth Tier I or II team may recruit or solicit players or offer hockey contracts to players for the following season, or hold development camps, tryouts, player selections or any activity that could be construed as a tryout/solicitation or recruitment for the following season, until 48 hours after the last game of Youth National Championships (both Tier I and Tier II Nationals must be completed). For example, if the National Tournament ends at 4 pm on Monday, tryouts can begin after 4 pm on Wednesday. Any violation of this prohibition may subject the coach, team, program and/or responsible administrators to appropriate discipline, or ineligibility of the team or coach, as determined by the Affiliate.

Note: For this season only, Youth Council voted to allow an exception for Youth Tier I and II teams to tryout 24 hours after the completion of the 2018 Tier I National Championships because of the one-day extension of the Youth Tier I National Championships.

And, on page 138 of the Annual Guide, Section III (F), **Girls Tier I Standards and Criteria** states:

USA Hockey recognizes Girls Tier I programs/teams only at the 14U, 16U and 19U age levels. The following criteria must be met for any team to be classified as a Tier I team in any Affiliate:

· Tryouts for Tier I teams must be published and advertised. No girls Tier I or II team may recruit or solicit players or offer hockey contracts to players for the following season, or hold development camps, tryouts, player selections or any

activity that could be construed as a tryout/solicitation or recruitment for the following season, until 48 hours after the last game of Girls National Championships (both Tier I and Tier II Nationals must be completed). For example, if the National Tournament ends at 4 pm on Monday, tryouts can begin after 4 pm on Wednesday. Any violation of this prohibition may subject the coach, team, program and/or responsible administrators to appropriate discipline, or ineligibility of the team or coach, as determined by the Affiliate.

After discussion by the Youth Council during Winter Meeting and on its February 13, 2018, Zoom conference call, the Youth Council unanimously agreed that the provisions above prohibit a team (girls or youth) from being recognized as a Tier I team or being eligible for National Championships if it violates the provision regarding tryouts from Sections III (E) or (F) on pages 136-38 of the *Annual Guide*. This is because of the prefatory language immediately preceding the bullet point for the Youth and Girls Tier I Standards (*"The following criteria must be met for any team to be classified as a Tier I team in any Affiliate:"*). If a Tier I team recruits or solicits players or offers hockey contracts to players for the following season, or holds development camps, tryouts, player selections or any activity that could be construed as a tryout/solicitation or recruitment for the following season prior to 48 hours after National Championships (for this season only, the 48 hour rule has been reduced to 24 hours for Youth Tier I or II), said team will be ineligible to be recognized as a Tier I team and will not be eligible for National Championships for the season for which it was holding tryouts.

Additionally, on Page 134 of the Annual Guide, Section III (B), **Tryout/Player Selection** states:

Tryouts for all Tier I & II 14U-18U Youth and 14U-19U Girls Teams. Effective as of the 2017-18 season, no youth or girls Tier I or Tier II team may recruit or solicit players or offer hockey contracts to players for the following season, or hold development camps, tryouts, player selections or any activity that could be construed as a tryout/solicitation or recruitment for the following season, until 48 hours after the last game of Youth National Championships (both Tier I and Tier II Nationals must be completed). For example, if the National Tournament ends at 4 pm on Monday, tryouts can begin after 4 pm on Wednesday. Any violation of this prohibition may subject the coach, team, program and/or responsible administrators to appropriate discipline, or ineligibility of the team or coach, as determined by the Affiliate.

The Youth Council recognizes that the Affiliate has the authority to subject the coach, team, program and/or responsible administrators to appropriate discipline, or ineligibility of the team or coach for violation of this provision. On

its February 13, 2018, Zoom conference call, the Youth Council discussed appropriate discipline that may be taken by the Affiliate. Youth Council unanimously agreed that the appropriate discipline for any Tier II team in violation Section III (B) is to prohibit said team from being recognized as a Tier II team and making said team ineligible for the National Championships for the season for which it was holding tryouts. Youth Council strongly recommends that all Affiliates impose this recommended discipline.

Sincerely,

David Klasnick
