Hockey players,

This summer, I will be conducting my 21st summer hockey games program beginning on Monday, **June 18th**. The summer games program is a great way to keep in shape and have some fun over the summer. Non Contact **Games are all we do!**

The summer games program will consist of a High Varsity, Low Varsity and JV/Bantam level. We are anticipating we will have 4 Varsity and 2 JV/Bantam teams. Teams will consist of a maximum of 18 skaters and 2 Goalies. Each team will play a total of 13 games. All levels will be divided up according to age and ability by coach Melton and Staff. There will be even ice time for everyone with 75-80 second timed shifts. Goalies will split time evenly as well. There will be **NO Checking** allowed however; angling, bumping, and light contact is allowed and encouraged. The program is designed with the intention that players will have fun, maintain their skills and get in shape over the summer. All games will be at the North Shore Ice Arena in Northbrook. The summer games have been **SOLD OUT** the last 20 years. Registrations will be on a first come first served basis. Unfortunately, there have been players who tried to sign up late but were turned down. Register early so you won't be left out! Our Spring clinics were sold out and many late registrants were turned away. We unfortunately cannot accommodate all summer registrants. **SIGN UP Early and don't delay!**

Schedules and team rosters will be E mailed out in late May. Please write legibly especially the E-mail portion of the application. Any information will be sent via E-mail. The cost of the summer program will be \$350.00 for skaters and \$175.00 for goalies. Players are to bring both a light and dark color jersey to all games.

Game dates and times: Mondays and Wednesdays. June 18, 20, 25, 27, July 2, 9, 11, 16, 18, 23, 25, 30 and August 1.

Games slots are 65 or 70 minutes in duration and start times will rotate between levels and begin approximately at 5:20pm, 6:35pm and 7:55pm.

We do realize that it is summer and players may not be able to make all of the games. This is not a problem. You will be asked to notify coach Melton via E-mail when you are unable to attend especially Goalies. We will allow players up to four make up games. For example, a player may play in two games on the same evening if numbers allow. Talk to coach Melton about these make-up possibilities.

Please share this information with your friends and teammates. The games are open to any High School age players or 2004 & 2005 Bantam age players. I will also take car-pool and friend requests into consideration and make every effort to accommodate.

I look forward to seeing and working with you this summer!

Regards,

Bob Melton
