

Instructions on USAW Medical Membership process

Thank you for your interest in becoming a Medical Member of USA Wrestling

Step 1: Go to USA Wrestling's online membership system at www.usawmembership.com and create a free account.

Step 2: If you have previously been a member of USA Wrestling, you will claim your previous profile. If you have never been a member of USA Wrestling, please create a new profile for yourself.

Step 3: After creating a profile, you will be able to access the SafeSport training (<https://safesport.org/authentication/register?token=a62447d3-d54f-493f-8396-44d958b3d94e>)

Step 4: You should then complete Free Medical Background Check - www.tcllogiq.com/usawrestlingee

Step 5: Upon completion of the SafeSport training and approval of the background screening, you will be notified by e-mail once your USA Wrestling profile has been updated with this information. You will be able to complete the Medical Membership process by logging into their account at www.usawmembership.com

Step 6: Once logged in, click on "Go to Memberships," then "Additional Memberships," and then you will select "Add Membership" for your profile, at which point you will select the type of membership from a drop down.

The Medical Membership is free, but once the membership is in your shopping cart, one must still finalize the cart in order to become a member.

Note 1: Those who have a **current** USA Wrestling background check and have done the online Safe Sport Training for another form of membership other than Medical, please complete **step**

6. If you have any questions concerning the Medical membership please contact USA Wrestling at 719.598.8181.
