

Steamers FC Refund Policy

Steamers FC follows a no refund policy. All fees are non-refundable and non-transferable. Exceptions will be considered if the request is due to a medical reason permitting the player from continued play (with supporting documentation). Should the medical exception be granted, the refund will be pro-rated.

Unacceptable requests for refunds include, but are not limited to: the inability to assign friends to the same team, the inability to assign a player to a specific coach, etc.

A refund request may be deemed acceptable should the club be unable to provide any age-appropriate team for a player.

Requests for a refund, including supporting documentation, may be submitted by email to:
