AGREEMENT

Practices

The acceptance of the All Star Manager position requires the attendance of all the scheduled practices and games in their entirety. Managers must notify the Board of Directors of all scheduled practice locations and times if different than those scheduled by TLL. Practices are held on a consistent basis starting at the beginning of June through tournament play.

Time Commitment, absences, and expectations

Games start mid-June and can extend to late July at locations throughout CA. The Majors division has the potential to run to late August (beginning of the school year) if the team moves to regional's in San Bernardino, CA, and the Little League World Series in Williamsport, PA. Any absences, must be disclosed/reported to the TLL Board of Directors **PRIOR** to the absence occurring. [NOTE: A family vacation is not considered an adequate reason for absences]. If in the event an unexcused absence cannot be avoided, the manager/coach may be replaced with an alternate manager/coach for the remainder of the All Star tournament season. The TLL Board of Directors is committed to communicating, supporting, and enforcing regulations of the enormous commitment that is involved in participating on the All Star team. Managers will carry the team affidavit book at all practices, games, and All Star activities. The All Star Manager application/agreement must be signed and returned by the date documented at the top of this form in order to be eligible to manage/coach an All Star team.

Thank you for applying and making this a successful All Star Season.

As a Manager/Coach, I understand and agree to all the conditions of participation as outlines in this form and the TLL All Star Guidelines. I understand and agree to support the time commitment and involvement as a manager of the All Star tournament, if elected to a team.
