17. Tie-Breaker System: If a game is tied after regulation innings have been completed during pool play or straight bracket play, the "California" tie breaker rule will go into effect. The last out in the previous inning will begin on 2nd base and there will be one (1) out. This will continue until a winner is declared or the time limit has been reached (where applicable).
18. Pool Play and Bracket Seeding Tie Breakers will be broken with the following format:
- Record
 - Results of the head to head competition
 - Run differential in Total Pool Play (maximum 8 plus/minus per game)
 - Least number of runs allowed in Total Pool Play
 - Most total runs scored in Total Pool Play
 - Coin Flip

**** For a three-way tie, first break the three-way tie by these rules and then start all over with the two remaining teams
