# Croatia Cleveland Soccer Club

The Eastside's Fastest Growing Club.  
Come see what all the excitement is about!

Croatia Juniors is a premier soccer club rich in history that was established in 1957 right here in Northeast Ohio. Croatia Juniors serves the soccer needs of boys and girls in Lake, Ashtabula, Geauga and Cuyahoga Counties.

We train and develop soccer players from youth to high school ages. Our training will prepare these players for competition at both the high school and collegiate level. Our teams compete in the local CASA League and our most competitive of teams play in the regional league called GLA / NPL.

Croatia Juniors are seeking youth soccer players ages 6-14 that want to work hard, want to grow the technical aspect of their game and intend to compete at the highest level and most importantly have fun.

We take great pride knowing we have one of the most experienced and licensed USSF staffs in the area. We want all of you to come and experience our positive soccer environment. Just like our staff and administrators, Croatia Juniors hopes to select players that exemplify that same passion for the game as our coaches, players with the inner drive, and players with exceptional character and sportsmanship both on and off the soccer field.
