

PICKERING FOOTBALL CLUB

MONTHLY NEWSLETTER

Dear Members, Supporters and Stakeholders,

The week ahead finally sees temperatures in the positive and has us thinking excitedly about the Summer ahead. Recreational registration opened up last week and we strongly encourage families to register soon than later to benefit from our Early Bird AND to avoid disappointment for this summer of soccer. With the World Cup on our doorstep, we know that soccer will be front of mind for many families this year.

Grassroots and Competitive registration will open up during this coming week and while we know our teams have looked great during the Indoor season there are some spots on teams available. For any players looking to join PFC for the 2026 Outdoor season please visit our website for Coach Contact details to organize a tryout.

Our presence last weekend at the first-ever national Soccer Summit was noted throughout the weekend with recognition going to the PFC during multiple keynote speeches and workshops. We are proud to represent you, our members, at events such as this. Just as importantly we are always eager to learn more from the wider soccer community, to bring it back home to the Pickering Soccer Centre and keep improving what we do and how we do it.

With the rebrand of League 1 Ontario and further alignment with the CPL there's never been a better time to part of soccer in Ontario. We appreciate your support and welcome your feedback as we continue to grow and improve.

February 2026
