

Season and Registration FAQs

How much is registration and what does it include?

See cost breakout and all fees on the Shakopee Lacrosse website on both the home page and registration page.

When does registration close?

Registration will close on April 1st for 8U and above. Registration requests after April 1st cannot be guaranteed to ensure all players receive uniforms. U6 registration will close on May 1st.

How many practices per week will each level have? And what days will the practices be on?

Below are the # of practices we would expect at each level, but cannot be guaranteed until we receive confirmation from the city in early April which days/times and fields we will have access to. The high school fields are still in limbo as to what will be available and timing.

Level of play	# Practices	Duration
8U Boys	2	1 hour
10U Boys	2	1 hour
12U Boys	3	1.5 hours
14U Boys	3	1.5 hours
8U Girls	2	1 hour
10U Girls	2	1 hour
12U Girls	3	1.5 hours
14U Girls	3	1.5 hours

Days each level will practice will be shared at the parent meeting in April. Please note for 10 and older, games will begin in June and those are not set each week so some weeks you will have more games and less practice, if games fall on practice days.

How long is the season?

Below is an approximate time frame for each level of play. All information will be finalized and communicated at the parent meeting in April. It is important that you attend the parent meeting so you receive all the season information.

Level of play	Season Length
8U Girls	May 15 th – June 19 th
8U Boys	May 15 th – July 22 nd
10U Girls	April 22 nd – Aug 4 th
10U Boys	April 23 rd – July 22 nd
12U Girls	April 22 nd – Aug 4 th
12U Boys	April 23 rd – July 30 th
14U Girls	April 22 nd – Aug 4 th
14U Boys	April 23 rd – July 30 th

What are the age guidelines for each level?

Level	Birth Date range
6U	9/1/2014 - 8/31/2016
8U	9/1/2012 - 8/31/2014
10U	9/1/2010 - 8/31/2012
12U	9/1/2008 - 8/31/2010
14U	6/1/2006 - 8/31/2008

Please note both girls and boys use same levels and birth date ranges. Current 9th graders are not allowed to play on a 14U team per league rules.

Will there be a U6 program again this year?

Once we have secured parent volunteers to help coach, the registration will be open March 1st to May 1st. The format will be a 2-week clinic. The focus for this age level is fundamentals and skill building and it is important that at the younger levels we make sure these expectations are understood.

Can I get a waiver for my son/daughter to play down with their peers?

You can request a waiver for your son or daughter to play down with their peers, if his/her birthdate is within 6 months of the cut-off. Please contact Ryan Thorman, shakopeedyouthlacrosse@gmail.com to officially request a waiver. All requests must be received by April 8th to be considered and you will be notified on April 10th of approval or denial. You should register your player at the correct age level and we will make the adjustment once the decision to grant the waiver is approved. There will be no refunds if a waiver is not granted and your player decides not to play for SYLA.

Can I get a waiver for my son/daughter to play up an age level?

Players will not be allowed to play up age levels to ensure they are focused on skill improvement, unless recommended by the youth director and coach. Additional, adjustments will be made if numbers at certain age levels are also not met, but this will be at the discretion of the board.

My player's US Lacrosse member number is not found when trying to register, what can I do?

Please ensure the information entered when signing up for your lacrosse membership is exactly the same as what is entered into the form for Shakopee Lacrosse registration. Here are some things to look for; middle initial missing, incorrect address (i.e. Road vs Rd), exactly last name spelling, incorrect birthdate. If you have verified that all are equal, we can reach out to US Lacrosse. Please email Ron Toward, rtoward@gmail.com if you have other issues.

Why do I have to pay for a US Lacrosse membership?

US Lacrosse memberships are required so that if a player is injured on the field during an event they are covered by the US Lacrosse insurance through RPS Bollinger.

Will I have to purchase a new uniform every year?

The association will try to maintain the same jersey for 2 consecutive years, unless a manufacturer discontinues the style.

What is required to purchase for uniforms this year?

Uniforms can be purchased through our Team Apparel site.

How much is the uniform going to cost?

The required 2 piece uniform package is \$69. There are other package options listed on the team site as well.

When do I need to order my uniform?

March 1st, 2020 is the first uniform order deadline, there will be a second announced after the first one closes.

What does the uniform look like?

Uniform style is posted on shakoheelacrosse.org website and will be shown at the parent meeting in April.

How do I get a scholarship for registration fees?

Criteria – qualifies for free or reduced lunch program through the school

Process:

1. Applicant talks to Barb Potthier bpotthier@shakoheelacrosse.org or 952-233-9505 at Park and Rec, Shakopee Community Center.
2. Barb confirms that the applicant does qualify.
3. If the applicant qualifies, Barb lets association know by giving forwarding the person's name and email address.
4. Association contacts the applicant to let them know what type of assistance they are getting.
5. Applicant registers on-line and enters discount code at checkout. The discount for lacrosse will be 50% of registration fees. Uniform and Fundraising fees are not covered. If additional payment plan is needed please reach out to the registrar listed in the registration.

Are there going to be paid coaches at all divisions and levels?

We are working on having paid coaches for all levels for 10U and above with 1 high school student coach.

When and where are tournaments scheduled for travel teams?

All boys teams 8U and up will play in the Shakopee Annual River Valley Rumble tournament held on June 11-13, 2021. Each of these teams will then participate in one or two additional weekend tournaments, which will be shared at the parent meeting in April. There are also state tournaments and end of the year jamborees that the players will participate in, please review the calendar on the Shakopee Lacrosse website. Girls teams 10U and above will participate in 2-3 weekend tournaments in the Twin Cities as well as the state tournament.

Will volunteer hours be required this year?

All SYLA families will be required to provide a refundable \$500 volunteer deposit check at the parent meeting in April. You can chose to opt-out of volunteering by paying \$400 at registration. 3 hours will be required of girls families and 6 hours for boys families due to no home girl tournament. If you have both a girl and boy in the program, you will need to complete 6 hours. Hours and activities will be available via DIBS throughout the season. If you are currently working on a committee, those DIBS hours will be loaded soon for you to claim. Please note your player will not be able to participate in tryouts until the volunteer check is received.

Upon verification of the required volunteer hours being completed, deposit checks are destroyed. If all volunteer hours are not completed, SYLA will cash your deposit checks in lieu of hours not worked.

Note: Head coaches and assistant coaches are not required to complete volunteer hours.

What types of jobs will be available for DIBS?

Home tournament will be our priority for volunteer hours. More information on DIBS will be communicated at the parent meeting.
