Group Number Practices

Parents - it is very important that your skater attends all of the listed practice times for the group numbers in which your skater is participating. While the coaches realize there are competitions scheduled for a few of the weekends of rehearsal - it is important to the coaches and the skaters that everyone makes an effort to attend the rehearsals and to be on time for rehearsal. This is to ensure that all of the skaters are prepared for the show and that they do not cause any confusion for themselves or the other skaters in the group number by not knowing their skating steps or the routine for the number. If you feel that your skater will not be able to attend the rehearsals on a regular basis or be on time for the rehearsal - please do not register for the show.

If your skater misses a rehearsal - please be sure to check with the coach in charge of the group - to see what the skater missed and if another skater or assistant coach can bring them up to speed on what was taught at the rehearsal, which your skater missed. If your skater is working with another skater or an assistant coach during freestyle - freestyle fees will apply. **If a skater misses more than two practices - they will not be permitted to participate in the group number(s) they have missed.** Thank you for your understanding and cooperation with this matter

Dress Rehearsal

It is mandatory that all skaters attend dress rehearsal. We will run through the entire show during dress rehearsal in full costume, make-up & hair.

Costumes

All costumes will be discussed at the first rehearsal. Due to the tight timeline for ordering costumes - all orders will need to be placed no later than October 7th

Thank you!

Beth, Rachel, Elena, Crystal, Cari, Christiana & The RMU ISC Show Staff
