Mite Coaching Committee

*Coaches listed multiple times may not be coaching multiple teams. We are pleased that our organization has coaching versatility with an experienced staff across multiple age groups.

**Wildcats have all intentions of fielding teams at all NJYHL levels (AA, A, B including American/National classifications where applicable). Individual(s) noted will be the Head Coach of highest level (e.g., AA) within the respective age division. Exact teams and levels will be determined by talent and number of players at tryouts.
