

12/15/25- Giving Tree – Heggies Pizzas

Good evening NHA Families -

Giving Tree:

The Giving Tree came down at the rink today, but there is still time to help! The ornaments with items needed are on the bench in the entryway - if you are still wanting to help out the CAC by purchasing one or two of their needed items, please have your gift to the arena by Wednesday, December 17th at 4 pm.

Heggies Pizzas:

Thank you to everyone who has already donated! For those of you selling Heggies Pizzas - reminder that the deadline to have your order to the drop box in the arena is January 12th (just about 4 weeks away).

Hockey Day Northfield:

Thank you to everyone that came out to support NHA and Children's Cancer Research Fund for Hockey Day Northfield this weekend. We know it was extremely cold and truly appreciate your support to make this a successful event. We hope everyone had a great time!

Extra Special Thank You to Perry Kruse our 50/50 Raffle Winner who donated his winnings (\$376) back to Children's Cancer Research Fund - your generosity to our association is incredible. THANK YOU!

Our donation link is still live to get us to our \$5,000 Association Goal - keep sharing with family and friends for our association to meet that goal!

Donation Link: <https://cure.childrenscancer.org/fundraiser/6829661>

Have a great evening,

NHA
