

## Steps for Re-Scheduling Games

1. Call the other coach to notify them you are cancelling a game
2. Cancel the game via the MBL website.  
The umpire association will get notified when you cancel the game via the MBL website  
However, please also follow up with the umpire association with a phone call as well
3. Find a field and agree to potential new dates with the other coach.  
You will find field availability information for each age group within the files found here  
<http://www.evaasports.org/myfields>
4. Verify field availability.  
Ryan Berg (rberg28@gmail.com) for 9/10s, 11s, and 12s  
Pat Matrin (pat.martin@charter.net) for 13s and 14/15s
5. Call the umpire association responsible for your age group to make sure they can supply an umpire on the date you want.  
Do not go outside of the existing umpire association if they can't meet your request, find another date.  
  
John Meacham from BT Umpires emailed me again today to reiterate... he must be called to verify the reschedule date has umpire availability  
  
Rescheduling for a Friday and Saturday will be difficult for the umpire associations due to them supporting tournaments on the weekend  
  
Rescheduling for a day later will be difficult due to turnaround time
6. Reschedule the game via the MBL website.
