

BBSC Summer Campout
S.I.S.C.R.A.
July 28-30, 2006

22 club members attended and 24 people had dinner on Saturday evening. The costs were \$10.50 per night for the camp site with electricity and \$6.50 per person for the dinner that included beverages and desert.

The activities included paddling, Mtn. biking at Tamarack, boating with Tyler or just relaxing. Many members just enjoyed the time away from the heat in the valley.

After dinner on Saturday we had a badminton tournament that many members played in and had a great time just watching.

Next year the dates will be July 29-31, 2007 with more activities I hope.

The cost should remain the same.
