HIGHMARK STADIUM – PITTSBURGH, PA

INDY ELEVEN HEAD COACH MARTIN RENNIE

On tonight's gritty performance by the Eleven:

"I think it was a great performance for us tonight. It was 86 degrees at kickoff, the sun is still out at 6 pm, so it's still hot out. Again, you got to see our fitness and resiliency, and I thought we controlled large parts of the game, especially considering we were away from home against a team that had not lost a game at home in at least two years.

"It was a difficult game in the sense of it's quite a tight field, there's lots of contact and not a lot of opportunity just to relax and play. So given what we were faced with I thought our players executed perfectly."

On Tyler Pasher's dramatic 97th minute game-winner:

"Those are the moments that are just really, really fun to be a part of. When you are on a team or part of a staff and you see a goal that, in that minute, against obviously a very good team, it's probably a highlight moment for Indy Eleven as a franchise. Tyler's got the ability to do that, so it's great to see him come through."

On how Indy's continued flawless start sets up the rest of the campaign ... or not:

"I think tonight's just about enjoying the game we had. Sometimes we get instantly focused on the next game and instantly start worrying about that. Obviously, we're always preparing and looking forward, but tonight we just want to enjoy what must be, in looking back at it, one of the best road wins in our club's history and to take it in a little bit. We can recognize, too, that wins like this one can build a lot of team spirit, a lot of confidence in the group. We'll enjoy the day off tomorrow and then start focusing on Saint Louis, but for now we're going to enjoy the win."
