

## Ethics Training

Ethics training prepares coaches to effectively handle situations that arise from ethical dilemmas or even legal challenges that concern individuals, teams, and their sports organizations.

Ethics training includes the Make Ethical Decisions module within the National Coaching Certification Program (NCCP), as well as training in abuse and harassment prevention, such as Respect in Sport, which can be taken before and during their coaching career.

By successfully completing the NCCP Make Ethical Decisions (MED) training, coaches will be fully equipped to handle ethical situations with confidence and surety. NCCP Make Ethical Decisions training helps coaches identify the legal, ethical, and moral implications of difficult situations that present themselves in the world of team and individual sport.

Respect in Sport training empowers coaches and parents to recognize and prevent bullying, abuse, harassment and discrimination (BAHD).

There are two ways to complete ethics training:

1. In-class workshop: To participate in an in-class NCCP Make Ethical Decisions module, please contact your local Provincial/Territorial Coaching Representative.
2. Home-study: Some provinces and territories offer the NCCP Make Ethical Decisions module through home study. Please contact your local Provincial/Territorial Coaching Representative for more information.
