2019 Fall/Winter Hitting Clinics

Lead Instructors: Kirby Pellant and Jalen Washington

Location: UAJBA Indoor Facility

Leading our hitting clinics again this year will be Kirby Pellant from the Ohio State Buckeyes baseball program. Kirby played two seasons for the Buckeyes from 2012-13 and is currently serving as the Quality Control Coordinator for the Buckeyes baseball team for the 2020 season. As a player, he was a 2013 first team All-Big Ten selection during his senior season and was drafted in the 26th round of the 2013 MLB Draft by the Los Angeles Angels of Anaheim, playing in 46 professional games. Kirby works closely with Ohio State's Matt Angle, who headed our original hitting clinics two years ago, and we are excited to build upon the hitting sessions provided to our UAJBA players last season.

On the attached chart below, refer to your player's age group across the top to find the sessions available for him/her. Different from the pitching and catching clinics, you will sign up for these sessions individually. Sign up for as many as you wish but please do consider only signing up for three sessions initially as to give everyone a chance to sign up for at least a session or two. And of course, please do not sign up for a spot unless you are sure you are able to attend. We had very few no shows last year and we expect the same this year if you commit to a time. Hitting clinics are built into your player fee – there are no additional fees charged for these sessions!
