

## **VSWLL Refund Policy**

Prior to Victoria Southwest Little League's player drafts, a player may withdraw for any reason. VSWLL will issue a full refund if the refund request is submitted to [victoriasouthwest@yahoo.com](mailto:victoriasouthwest@yahoo.com) and received prior to that player's draft. Any fundraiser items (i.e., candy and/or raffle tickets) must be returned before the refund will be processed.

After VSWLL player drafts and prior to Opening Day, VSWLL may issue a refund because of special circumstances (i.e., an injury, relocation, drafted to the local high school team, etc...). The refund request must be submitted to [victoriasouthwest@yahoo.com](mailto:victoriasouthwest@yahoo.com) and must explain the special circumstances. If VSWLL Treasurer and Player Agent approve the request; VSWLL will issue a full refund. Alternatively, VSWLL Treasurer and Player Agent may seek a vote from the Board of Directors for guidance. Any fundraising items (i.e., candy and/or raffle tickets) must be returned before the refund will be processed. VSWLL will issue a full or partial refund within 7-10 business days from the time of written approval.

### **COVID & Reasons out of VSWLL Control:**

VSWLL will provide a refund amount to each registrant with the remaining unspent monies for the current season. The VSWLL Board will provide an accounting statement detailing what monies have been spent and what is remaining. All unclaimed monies will be applied to the next years general funds.

VSWLL is a non-profit organization. The league charges what is needed to cover all costs that occur in a typical year. The costs of equipment and baseballs occur during the registration process and are of the larger costs the league has.
